## Summary

---

Results-driven Web Developer skilled in designing responsive, scalable applications, integrating blockchain technologies, and delivering user-centric solutions. Strong in problem-solving, system optimization, and adapting to dynamic environments.

## Technical Skills

---

**Frontend:** HTML5, CSS3, JavaScript, React.js, Flutter

**Backend:** Node.js, Express.js, Flask, Django

**Database:** MongoDB, SQL

**Tools:** Git, GitHub, VS Code, Figma, Linux, Google Cloud, Remix, Firebase Hosting

**Languages:** Java, C++, Python, Solidity, Dart

## Experience

---

**Web Development Intern, Targeticon Digital Services Pvt. Ltd.** Jun 2024 – Aug 2024

- Engineered responsive web applications, improving overall load performance by 12%
- Conducted thorough end-to-end testing, achieving 100% cross-browser compatibility.
- Minimized UI/UX inconsistencies by 15%, enhancing customer satisfaction and engagement.

## Projects

---

**Token Up – Blockchain Certificate Verification** Jan 2025 – Present

- Developed a blockchain-powered platform for real-time certificate verification, reducing fraud risks.
- Conceptualized and launched a LinkedIn-style UI, increasing user engagement through seamless profile management.

**CertSecure – Blockchain Certificate Authenticator** Jun 2023 – Dec 2023

- Built a decentralized platform ensuring immutable and tamper-proof certificate storage.
- Streamlined document uploads with intuitive UX, enhancing user onboarding by 20%.

**Fitness Gym – Website to find Nearest gym** Mar 2023 – Jun 2023

- Designed and implemented a dynamic website helping users locate nearby fitness centers efficiently.
- Integrated geolocation-based filtering and smart search functionality, boosting user search success rate by 30%.

## Education

---

**Bachelor of Technology (B.Tech) — Computer Science**

*K.R. Mangalam University | Sept 2022 – Sept 2026*

Relevant Coursework: Web Development, Artificial Intelligence, Data Structures, Software Engineering

## Additional Information

---

**Certifications:** Python Bootcamp (Udemy), Full-Stack Web Development (Udemy)

**Awards:** Winner, Smart India Hackathon (SIH) 2023

**Soft Skills:** Problem-Solving, Adaptability

**Interest Area:** Web Development, Blockchain
